

Jewell & Associates, a Deltek Premier Partner, Shows Strong Growth Second Quarter of 2008, Doubling Previous Year

Vienna, Virginia (PRWEB) August 5, 2008 – Jewell & Associates, a Deltek Premier Partner, shows solid growth during the second quarter of 2008. With the penetration into new industries, earnings for the company during the second quarter of this year have exceeded expectations and more than doubled earnings compared to second quarter of 2007.

Additional second quarter highlights for Jewell & Associates included being a Platinum sponsor at Deltek Insight 2008, and receiving finalist for The Partner Project Excellence Award, as a result of delivering excellent implementation services to their client, V2 Systems, Inc. Jewell & Associates worked closely with V2 Systems to implement their Deltek Vision system.

“We have experienced, first hand, the true value that Jewell & Associates can provide to a project-driven organization, says Guy Hinkler, Principal of V2 Systems. “ Deltek Vision has positively impacted our firm, enabling us to work in a more cohesive manner to gage and achieve our goals.”

Deltek Vision is a leading enterprise software solution designed for project-based professional services firms to improve business performance, streamline operations, and win new business by integrating end-to-end business processes by automating the marketing, financial management, planning, tracking and administration of resources and projects.
