## **June Jewell, CPA and President of Jewell & Associates to speak on How to Elevate Your Project Manager to Business Manager**

*Innovative leader shares project manager expertise at Architecture Exchange East in Richmond, VA*

Vienna, Virginia (PRWEB) November 11, 2008 – Jewell & Associates' President, June Jewell, an accomplished business owner and one of Deltek's top Premier Partners, will be speaking at Architecture Exchange East in Richmond on November 14, 2008 at 2:45pm.

Architecture Exchange East is being held in Richmond, VA at the Greater Richmond Convention Center on November 12 - 14, 2008. This conference provides 70 educational sessions, as well as an exhibit hall with over 150 exhibitors. Many of Jewell & Associates' clients attend the conference and will be able to visit Jewell & Associates at booth #430.

"I encourage firm Principals and Project Managers to attend this session and discover how to manage projects more effectively," says Jewell. "As a company grows, it is critical that key Project Managers learn how to control project costs to improve profitability."

The session will include a discussion on how technology can be used to effectively manage projects. Jewell & Associates offers Deltek Vision as a solution for project-based professional service firms.
