Jewell & Associates, a Deltek Premier Partner, Establishes The Executive Circle for Project-Based Professional Services Firm Leaders

Vienna, Virginia (PRWEB) July 29, 2008 – Jewell & Associates, a Deltek Premier Partner, has launched The Executive Circle, an exclusive group for project-based Professional Service firm leaders in architecture, engineering, management consulting, IT consulting, communications and government contracting.

The Executive Circle will meet throughout the year for networking, best practice discussions, and executive level presentations from industry experts. Executives at project-based professional services firms are encouraged to join this elite group and help shape its direction.

June Jewell, CPA, President of Jewell and Associates, is enthusiastic about the launch of The Executive Circle. “This is a wonderful way to bring like-minded executive leadership together to share ideas and thoughts on the project-based professional services industry. My goal is to offer valuable content which will help our clients use technology to be more profitable,” says Jewell. “With presentations from industry experts, the group will certainly find the events beneficial to growing their businesses and learning strategies to minimize economic impact.”

The Executive Circle Inaugural Event will be held on Tuesday, September 9, 2008 and will feature Kevin Parker, CEO of Deltek speaking on “*Growing Profitability in a Competitive Market.*” The event is sponsored by Jewell & Associates and V2 Systems. Membership in this group is limited to Principal business owners, CEO’s, CFO’s, COO’s, and VP’s.

For more information on joining The Executive Circle and to register for the inaugural event, contact Jewell & Associates at 877-241-6431x709 or visit www.TheExecutiveCircle.com.
